YARDART WATERTOWN

THE ENTIRE MONTH OF APRIL

What is YardArt Watertown?

YardArt is a community-wide celebration of creativity and fun in front yards, porches and windows all over Watertown.

All residents, families, organizations, clubs, classes, artists, and businesses are invited to create something to be viewed from the street or sidewalk. It can be an assemblage, a sculpture, an art project, a lighting arrangement—let your imagination run free! Installations will be on display the entire month of April.
